Net Data Space vs. Every Day Life

In which form does the network data world manifest itself in our everyday life? What comes back from cyberspace into physical space? How do digital innovations influence our everyday actions?

First Person Shooter Aram Bartholl www.datenform.de 2006

1. Cut all parts from card. 2. Glue hangers to glasses.
3. Test it. Take a walk in your neighbourhood.
4. Handle with care! Extensive use might cause unpredictable behaviour.
